To whom it may concern,

I am writing to recommend the services of Jaime Clemente of J Clemente and Associates.

Jaime has been working with our company for the past three years as our representative. His knowledge and attention to detail has aided in keeping products in stock for our company.

I feel confident in recommending Jaime and his Company as Product Representative. He is not only thorough, but also easy to work with and always willing to take the time to discuss my concerns and respond to questions.

Please feel free to contact me at the number below should you like to discuss Jaime and experience with his company further. I'd be happy to expand on my recommendation.

Regards,
